Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Kensington Water Main and Lead Service Line Replacement Project – Pleasant Ridge in fiscal year 2022.

The entity to receive funding for this project is City of Pleasant Ridge, located at 23925 Woodward Avenue, Pleasant Ridge, MI 48069. The funding would be used for replacing a 100-year old watermain and 70 lead service lines, investing in infrastructure and safe, clean drinking water. This project is a valuable use of taxpayer funds because it addresses salient concerns regarding the quality and safety of the community's drinking water. Furthermore, the project removes a threat to the health and wellbeing of Michiganders by removing lead from the community's water system.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

ANDY LEVIN
Member of Congress
